The FPA of Oregon & SW Washington is one of the most active chapters in the country, providing high-quality professional development, continuing education (CE), and networking opportunities on a local level to our almost 300 members. We expect approximately 50 to 100 participants at each 2023 FPA Signature Event and have built in dedicated time for you to reconnect on an individual level.

By becoming a 2023 FPA Partner, you will:

- » **Boost your business revenue by connecting with key leaders and decision-makers**
- » **Engage with new CFP®s & increase your contact list**
- » **Strengthen relationships by showing your support**
- » **Personally spread awareness about your company in real-time, in-person**

Our 2023 FPA Signature Events offer a variety of timely CE that attracts the best of the best planners from small and large firms across the state and region. There will be multiple topics presented by fantastic speakers at each meeting, which will bring in a diverse audience of planners and advisors.

Why become a partner? We'll be IN-PERSON! It's more important than ever for FPA to provide face-to-face interactions to help you re-connect and expand your network on a personal level.

- Build brand name recognition
